

Insurance Recruiting Firm

As a national provider of insurance recruitment services, we offer years of proven expertise to assist our clients to identify, attract and recruit the right insurance professionals for their organizations. With a deep understanding of the insurance industry we can partner more effectively with our clients and candidates. We understand the unique insurance operations and necessary skills sets.

Recruiting Specialist in the Insurance Industry

Our specialization in the insurance industry allows us to have a unique understanding of our client organizations and position requirements. This expertise allows us to quickly recognize and identify the best candidates for their open roles.

We have placed candidates in the following skillsets within the industry:

- Underwriting Leaders, Underwriters, Examples include: Cyber, Property, Excess
- Claims
- Actuarial
- Operational
- Compliance
- Accounting/Finance

Extensive Insurance Network

We have become one of the leaders in the insurance recruiting arena. This distinctive expertise has led to a reputation of reliability and allowed us to build a large network of highly capable insurance professionals.

Impressive Client Relationships

We believe the key to a successful recruiting relationship is trust. Our commitment to obtaining the capable candidate for our client organizations is what sets us apart from other recruiting firms.

Woman Owned Small Business

TruCapital Partners is certified as a Women's Business Enterprise (WBE) through the Women's Business Enterprise National Council (WBENC), the nation's largest third-party certifier of businesses owned and operated by women in the US.

We recognize the commitment to supplier diversity that is embraced by corporations and government agencies today, and we can add diversity to your supply chain.
